SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants wish to make of record in the above-identified application the document or documents referenced on the attached Form PTO-1449. A copy of each non U.S. reference is enclosed herewith.

Applicant notes that the cited reference has already been made of record in an Information Disclosure Statement filed on February 17, 2006 and is discussed further in the Remarks section of the Amendment accompanying this filing. Accordingly, Applicants do not believe that a fee is due for filing this paper.

It is respectfully requested that the information be expressly considered during the prosecution of this application, and that each reference be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

Serial No. 10/568,593
Art Unit: 3764
Inventor: Yoshiaki SATO

Attorney Docket No. SUZ0028-US

This submission does not represent that any referenced document is material or constitutes "prior art." If it should be determined that one or more of the referenced documents constitute "prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of the reference or references.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over any referenced document, should it be applied against the claims of the present application.
